

Choosing Dialysis

Is it the right treatment for me?

Facilitator:

Kellie Robertson, Advance Practice Nurse, Nephrology

If you have chronic kidney disease, stage 4, you are invited to attend a group medical visit.

Thursday, December 15, 2011
9:00am – 11:00am

- 4-10 other patients with Chronic Kidney Disease, Stage IV
- Longer face time with practitioner
- Question and Answer with other patients

Since this is a medical evaluation, a co-pay will be collected. This is a visit in addition to your regularly scheduled appointments with your nephrologist. To register, call 582-7330 and tell the receptionist you are interested in registering for the Chronic Kidney Disease, Stage IV Group. Limited spaces are available.
