CONSENT TO TREAT MINORS

I, _____ acting as parent or legal guardian, hereby grant permission and authorize his/her physician to treat _____ without the benefit of my presence in the office.

The undersigned patient assigns the treating physician the following rights, power and authority:

I request that payment of authorized Medicare benefits or other third party insurance benefits be made either to me or my behalf to Millennium Chiropractic & Rehab, for services furnished me by that provider. I authorize any holder of medical information about me to release to Millennium Chiropractic & Rehab or his agents, any information needed to determine these benefits payable for related services. I authorize the release of any and all past and present medical records to Millennium Chiropractic & Rehab. You are assigned to the exclusive, irrevocable right to any cause of action that exists in my favor against any insurance company for benefits to the extent of your bill for total services if such benefits are owed within the terms of the policy, including the exclusive, irrevocable right to receive payment, and to prosecute and receive penalties, interest, court costs, or other legally compensable amounts owed by an insurance company. I, as the patient and/or responsible party, further agree to cooperate, provide information as needed, and appear as needed to assist in the prosecution of such claims for benefits upon request. To any insurance company providing benefits of any kind to me/us for treatment rendered by my physician, you are hereby tendered demand to pay in full the bill for services rendered by him following your receipt of such bill for services to the extent such bills are payable under the terms of my/our policy for benefits, less any amount which I/we owe personally which are not payable under the terms of your policy. If patient's services for injuries are the result of the negligence of any third party, then patient or responsible party grants a lien against any recovery from such third party (s) to the extent of bills for service, in favor of my physician. Patient waives the right to claim statute of limitations regarding claims for services rendered or rendered by Millennium Chiropractic & Rehab in addition to reasonable costs of collection, including attorney's fees, court costs and interest charges incurred. I understand Medicare may not pay for every treatment received by Millennium Chiropractic & Rehab, as Medicare requires treatment to be medically necessary to their reviewers. If Medicare does not pay for said treatment, I understand I will be responsible for payment and that Medicare may not pay for X-rays.
