PATIENT HEALTH QUESTIONNAIRE-9 (PHQ-9)

Over the last 2 weeks, how often have you been bothered by any of the following problems? (circle to indicate your answer)

	Not at all	Several days	More than half the days	Nearly every day
1. Little interest or pleasure in doing things	0	1	2	3
2. Feeling down, depressed, or hopeless	0	1	2	3
3. Trouble falling or staying asleep, or sleeping too much	0	1	2	3
4. Feeling tired or having little energy	0	1	2	3
5. Poor appetite or overeating	0	1	2	3
6. Feeling bad about yourself — or that you are a failure or have let yourself or your family down	0	1	2	3
7. Trouble concentrating on things, such as reading the newspaper or watching television	0	1	2	3
8. Moving or speaking so slowly that other people could have noticed? Or the opposite — being so fidgety or restless that you have been moving around a lot more than usual	0	1	2	3
9. Thoughts that you would be better off dead or of hurting yourself in some way	0	1	2	3

If you checked off any problems, how difficult have these problems made it for you to do your work, take care of things at home, or get along with other people?

Not difficult at all

Somewhat difficult

Very difficult

Extremely difficult

NAME _____ DATE _____

TMS Screening Questionnaire

Please read each question carefully, answering accurately and truthfully, and if you have any doubt as to how to answer any question please answer "yes"

YES NO

- Do you have epilepsy or have you ever had a convulsion or a seizure?
- Have you ever had a fainting spell? If yes, please describe in which occasion(s)
- Have you ever had severe (i.e. followed by loss of consciousness) head trauma?
- Do you have any hearing problems or ringing in your ears?
- Are you pregnant or is there any chance that you might be?
- Do you have metal in the brain skull (except titanium)? (e.g. splinters, fragments, clips, etc.)
- Do you have cochlear implants?
- Do you have an implanted neurostimulator? (e.g. DBS, epidural/subdural,VNS)
- Do you have a cardiac pacemaker or intracardiac lines or metal in your body? Do you have a medication infusion device?
- Do you have a medication infusion device?
- Did you hold a Heavy Goods Vehicle driving license, pilots license or bus license?

Affirmative answers to this questionnaire do not represent absolute contraindications to TMS, but the risk/benefit ratio should be carefully balanced by the clinician and patient.

I confirm that I have read and understood the above information and that each question has been answered to the best of my knowledge.
